Everything on the West half of SE 6th Street thence West to a point of Main and SE 3rd Street at centerline in Main Street. Everything on a South half thence North to a point to the City Limits boundary on NE 3rd. Everything West of a centerline on NE 3rd Street. Thence West on a straight line of the North City Limits boundary to Flint Street. Everything South of the North City Limit boundary. Thence South at a point of the North City Limit boundary and center of Flint Street to the intersection of Caddo and Flint Street. Everything Easterly thence a straight line from the center of the intersection of W. Caddo and Flint Street, to the center of the intersection of W. Caddo and N. Central Street. Everything North of a line thence at a point of the center of the intersection of Central and W. Caddo, thence South in a straight line to the Center of the intersection of Main and Central. Everything East of the Centerline on Central. At the point of the center of the intersection of Main and Central, a straight line going East to the center of the intersection of Main and NE 1st Street. Everything North of the centerline of Main

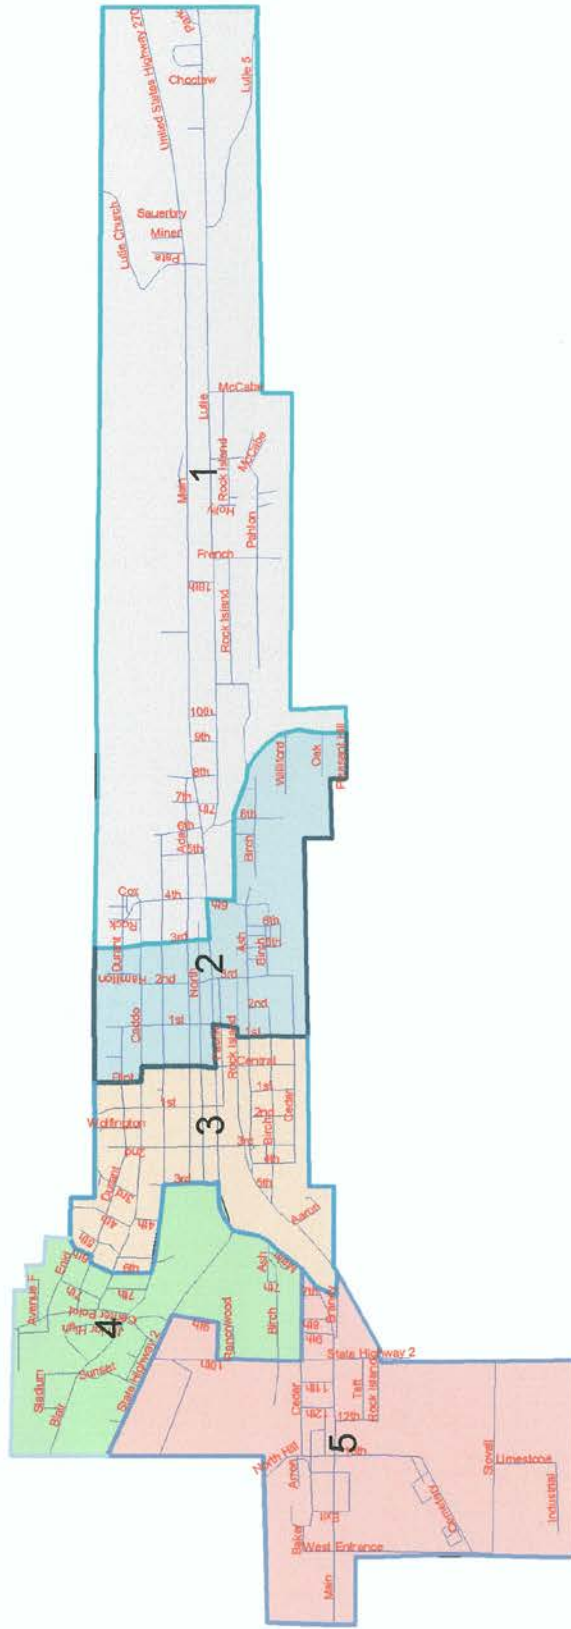

Street; thence at a point of the center of the intersection of Main Street and NE 1st Street going South in a straight line in the center of East 1st Street to the South City Limit boundary. Everything on the West of East 1st Street centerline. Thence at a point of East 1st Street and South City Limit boundary going Easterly in a straight line following the South City Limit boundary to the Beginning Point. Everything North of the South City Limit boundary.

THIRD WARD: At a beginning point of the center Southeast 1st Street and the South City Limit boundary, going North in a straight line to the center of NE 1st Street and Main Street. Everything to the West of line. Thence at point at the center of Main Street and Northeast 1st Street going West to a point of the center of Main and Central. Everything South of the centerline of Main Street, thence at a point in the center of the intersection of Main and Ventral in a straight line going North to the center of the intersection of Caddo and North Central. Everything west of a lie of the center of Central; thence at a point of the center of the intersection West Caddo and Flint Street. Everything South of the centerline of W. Caddo. Thence at a point on the center of intersection of West Caddo and Flint Street going North in a straight line of the center of Flint Street to North boundary of City Limits, everything West of centerline of Flint Street; thence at a point of center of the intersection of Flint Street and the North City Limits boundary going in a Westerly direction following the North City limits boundary to Northwest 6th Street and the North City Limits boundary going Southerly to a point of the center of the intersection of NE 6th and W. Blair. Everything East of a centerline of NE 6th. Thence at a point of the center of the intersection of NE 6th Street and W. Blair going Easterly to the center of the intersection of W, Blair and NW 3rd Street. Everything North of the centerline of W. Blair; thence at a point of the center of the intersection NW 3rd and W. Main. Everything West of a centerline of NW 3rd; thence at a point of the center of the intersection of NW 3rd and W. Main going in a Southerly direction following West Main Street to a point at Bandy Road. Everything East of the centerline of Main Street; thence at point o Bandy Road going East from a centerline of Bandy Road to a centerline of West Ash. Everything North of the centerline of Bandy Road; thence at intersection of Bandy Road and W. Ash going Northeasterly to a point of the South City Limits boundary. Thence at a point of West Ash and the South City Limits boundary going Easterly in a direction to the Beginning Point. Everything north of a line.

FOURTH WARD: Starting at a point the center of the intersection of West main Street and W. Cedar going Northerly to point of W. Main Street and NW 3rd Street, everything Northwest of a centerline of Main Street; thence at a point of the center of the intersection of W. Main Street and NW 3rd going in s straight line North to the center of the intersection of NW 3rd Street and W. Blair. Everything West of the centerline of NW 3rd Street; thence at a point of the center of the intersection of NW 3rd Street and W. Blair going Westerly to the center of the intersection of W, Blair Street thence at the center of the intersection of W. Blair and NW 6th Street going in a Northerly direction to the North City Limits boundary. Everything West of a centerline of NW 6th Street; thence at a point of NW 6th Street and the North City Limits boundary going Westerly following the North City Limits boundary to Point of the North City Limits boundary to the intersection of Leland Street. Everything South of a line; thence at the North Boundary line and Leland

Street going in a straight line South to the center of the Intersection of Highway 2 north and Leland Street. Everything East of the centerline on Leland Street; thence at a point if the center of the intersection of Highway 2 North and SW 9th Street Southerly to the center of the intersection of SW 9th Street and Cynthia Street. Everything East of the centerline of SW 9th Street; thence at a point of the center of the intersection of Cynthia Street and SW 10th Street. Everything South of the centerline of Cynthia Street; thence at a point of the center of the intersection of SW 10th Street and W Cedar. Everything East of the centerline of SW 10th Street; thence at a point of the center of the intersection of SW 10th Street and West Cedar going in a straight line East to the Beginning Point. Everything North of a centerline of West Cedar.

FIFTH WARD: At a beginning point of the center of the intersection of Bandy Road and W. Ash going South Westerly to a point of the West Right-of-Way of Highway 2 South at a point West Rock Island and Highway 2 South. Everything West of the line; thence at a point of the West Right-of-Way on Highway 2 South at a point of West Rock Island and Highway 2 South going in a straight line South following the west side of Highway 2 South Right-of-Way to a point on the South City Limits boundary. Everything West of a line; thence at a point of the west edge of the Highway 2 South Right-of-Way and the South City Limits boundary to point the West City limit boundary then North following the West City Limit boundary to a point of the center of the intersection of Leland Street and State Highway 2 North. Everything East of a line; thence at a point of the intersection of Highway 2 North and SW 9th Street. Everything South of a line; thence at a point of the center of the intersection of Highway 2 North and SW 9th Street Southerly to the center of the intersection of SW 9th Street and Cynthia Street. Everything West of the centerline of SW 9th Street; thence at a point of the center of the intersection of SW 9th Street and Cynthia Street in a straight line to the center if the intersection of Cynthia Street and SW 10th Street. Everything North of the centerline of Cynthia Street; thence at a point of the center of the intersection of Sw10th Street and W. Cedar. Everything West of the centerline of SW 10th Street; thence at a point of the center of the intersection of SW 10th Street and W. Cedar going in a straight line East to the Beginning Point. Everything South of the centerline of W. Cedar.
